PWHC Sponsorship Program

PWHC Sponsorship program is new for the 2004-2005 season. The club will sponsor as many players (ice or inline) as funds permit. The program will cover the full registration fee for the house ice hockey Fall/Winter season or the full registration fee plus the practice fee for the Fall, Winter or Spring house inline hockey seasons. A separate application must be submitted for each season. The program does not provide equipment. All equipment (ice or inline) is the responsibility of the participant and his or her family.

In order to qualify, the player must be enrolled in the free or reduced price school meal program for the county in which they live. A copy of the Meal Benefits qualification letter for the 2004-2005 school year must be attached to the sponsorship request or be provided to PWHC no later than September 15 (Fall programs), December 1 (Winter programs) or March 10 (Spring programs). It is the responsibility of the applicant to provide the letter. If the letter is not received by the due date, the sponsorship request will not be granted.

Applicants will be placed on a list in the order that their requests are received. The date received will be the postmark date on the envelope. If funds are not available to sponsor every applicant, applicants will be chosen based on the receipt date. There will be no partial sponsorships unless more than one application is received on the date that the funds run out. If more than one application is received on that date, the available funds will be divided among all applicants for that date. All funds not used during the sponsorship period will be carried over and be available for use in the next sponsorship period.

All persons requesting sponsorship must complete the application at the bottom of this page. The completed application must be mailed to PWHC at the address listed above. No applications may be hand delivered or placed in the PWHC box at SkateQuest.

Donations to the PWHC Sponsorship program qualify as charitable contributions for federal income tax purposes. Club members may contribute to the program by checking the box and filling in the amount on their current year registration form. A separate invoice will be created and mailed which will serve as a receipt for tax purposes. Anyone may contribute to the program by mailing a check made payable to PWHC Sponsorship Program to the address shown above. A thank you letter (which will also serve as a receipt) will be mailed to all contributors who are not club members.

Application for Sponsorship for the 2004-2005 Season

Parent/Guardian name(s) _____

Home address _____
